## For the Family

### Adopt a Rescued Pet

Started by moms and kids in Richardson 10 years ago, Take Me Home Pet Rescue is a 501C3 nonprofit organization that rescues dogs and cats from local and rural shelters, especially those with high euthanasia rates.

Over the past two years they have focused on saving dogs directly off the streets of South Dallas, where there is a terrible problem of loose and stray dogs. After medical care, training, and lots of love from our volunteers and foster families they are placed in forever homes. All of the pets we rescue are spayed or neutered before being formally adopted. Give the gift of a forever home to a homeless dog or cat.
